HOW TO USE THIS PLAN

Find your normal daytime and nighttime locations on the map. These are the places where you work and where you live. If you are located in an area shown in color, there is public shelter for you and you should plan to walk to the nearest shelter.

From the list of shelters which are numbered to correspond to the circled numbers on the maps you can determine the name and address of your shelter and fill in your Family Emergency Plan on page 19.

A map showing the rest of Kansas City and Jackson County is to be found on page 12.
